

Examiner Team Award Recommendation

Applicant's Name:	
------------------------------	--

Level Applied for (maximum award level):	
---	--

Based on the assessment (feedback report, key themes, and site visit findings), the examiner team believes the following award level as the best fit for this applicant:
(Place an "X" before recommendation):

<u> </u> Interest/Level One	<u> </u> Commitment/Level Two
<u> </u> Achievement/Level Three	<u> </u> Excellence/ Level Four

Required – Comments to Panel of Judges by Examining team. Using the TNCPE recognition level descriptions on pages vi and vii of the Baldrige Excellence Framework booklet, indicate the evidence that supports the team's recommendation to the Panel of Judges. Include what is keeping the organization from a higher award level or what has moved them from a lower award level. Use specific examples from the application, site visit, or feedback report to support your comments.

Evidence that supports the team's recommendation to the Panel of Judges:

What is keeping the organization from a higher level award (N/A for Excellence):

What keeps the organization from a lower level award (N/A for Interest):
