

Examiner Team Award Recommendation

Applicant Name: _____

Level of Application (max. award level): _____

Based on the assessment (feedback report, key themes, and site visit findings), the examiner team believes the following award level is the best fit for the applicant:

Interest (Level 1)

Commitment (Level 2)

Achievement (Level 3)

Excellence (Level 4)

Required – Using the TNCPE Recognition Level descriptions on page vii of the Baldrige Excellence Framework, describe your rationale that supports the team’s recommendation to the Panel of Judges, including what is preventing the applicant from achieving a higher level and/or what has moved them from a lower level. Use specific examples from the application, site visit, and feedback report to support your comments.

1) Provide evidence that supports the team’s recommendation to the Panel of Judges.

2) What is keeping the applicant from a higher level award? (N/A if recommending Excellence Award)

3) What keeps the applicant from a lower level award?

Examiner Signatures: Each examiner should indicate agreement with the award recommendation and comments via electronic signature below.
